

CONTENTS

Chapter 1. Introduction	11
Chapter 2. Physiography	15
2.1 Geographical Characteristics of Etna Mount	15
2.2 Hydrology	15
2.3 Geology	20
2.4 Soils	23
2.5 Climate	24
Chapter 3. History of Flora and Vegetation	31
3.1 Flora	31
3.2 Vegetation	47
Chapter 4. Syntaxonomical Arrangement of Vegetation	53
Chapter 5. Hydrophilous Vegetation	63
5.1 Lemnetum gibbae	64
5.2 Lemno-Spirodeletum polyrrhizae	64
5.3 Potamogetono pectinati-Myriophylletum spicati	65
5.4 Ranunculetum penicillati	65
5.5 Ranunculo trichophylli-Montietum variabilis	66
5.6 Coronopo squamati-Sisymbrielletum dentatae	67
Chapter 6. Amphibious Helophytic Vegetation	71
6.1 Phragmitetum australis	73
6.2 Polygono salicifolii-Phragmitetum australis	74
6.3 Typhetum angustifoliae	75
6.4 Typhetum latifoliae	76
6.5 Typho angustifoliae-Schoenoplectetum tabernaemontani	77
6.6 Junco subulati-Bolboschoenetum maritimi	77
6.7 Festuco arundinaceae-Cyperetum distachyi	79
6.8 Puccinellietum fasciculatae	81
6.9 Festuco arundinaceae-Juncetum subulati	81
6.10 Festuco arundinaceae-Caricetum divisae	82
6.11 Festuco arundinaceae-Elytrigietum athericae	83
6.12 Sparganietum erecti	84

6.13 Helosciadietum nodiflori	85
6.14 Eleocharito palustris-Alismetum lanceolati	88
6.15 Cyperetum longi	88
6.16 Caricetum ripariae	89

Chapter 7. Halophilous Vegetation **91**

7.1 Crithmo maritimi-Limonietum virgati	92
7.2 Limonietum tauromenitani	92
7.3 Glaucio flavi-Matthioletum tricuspidatae	95
7.4 Frankenio pulverulentae-Catapodietum balearici	96
7.5 Trifolio scabri-Catapodietum balearici	98
7.6 Parapholido incurvae-Spergularietum bocconeae	99
7.7 Podospermo cani-Parapholidetum pycnanthae	99
7.8 Chamaemelo praecocis-Leontodontetum muelleri	102
7.9 Sphaenopo divaricati-Spergularietum diandrae	102

Chapter 8. Chasmophilous and Comophilous Vegetation **105**

8.1 Eucladio-Adiantetum capilli-veneris	107
8.2 Erucastretum virgati	107
8.3 Phagnalo saxatilis-Cheilanthesetum maderensis	109
8.4 Bartramio strictae-Polypodietum cambrici	109
8.5 Bartramio strictae-Dryopteridetum pallidae	112
8.6 Anogrammo leptophyllae-Selaginellum denticulatae	113
8.7 Scorpiuro circinnati-Anogrammetum leptophyllae	114
8.8 Pohlio crudae-Cystopteridetum dickieanae	116
8.9 Brachytecio velutini-Asplenietum trichomanis	116
8.10 Asplenio septentrionalis-Dryopteridetum filicis-mas	119
8.11 Parietarietum judaicae	121
8.12 Capparietum rupestris	121
8.13 Centranthetum rubri	123
8.14 Hyosciamo albi-Parietarietum judaicae	123
8.15 Antirrhinetum siculi	124
8.16 Centrantho rubri-Hypericetum majoris	127
8.17 Asplenio quadrivalentis-Parietarietum judaicae	129
8.18 Sedo dasyphylli-Ceterachetum officinarum	129
8.19 Asplenio quadrivalentis-Umbilicetum horizontalis	130
8.20 Asplenio quadrivalentis-Centranthetum rubri	133

Chapter 9. Glareicolous Vegetation **135**

9.1 Centrantho rubri-Senecionetum ambigui	136
---	-----

9.2 Arrhenathero nebrodensis-Euphorbietum rigidae	138
9.3 Loto cretici-Helichrysetum siculi	140
Chapter 10. Megaforbic Vegetation	141
10.1 Calystegio silvaticae-Arundinetum donacis	142
10.2 Urtico dioiceae-Sambucetum ebuli	143
10.3 Angelico sylvestris-Urticetum diocae	145
10.4 Katapsuci silaifoliae-Geocaryetum capillifolii	145
10.5 Origano heracleotici-Thalictretum minoris	148
10.6 Calamagrosti epigeji-Epilobietum angustifolii	148
Chapter 11. Ruderal Vegetation	151
11.1 Pteridio aquilini-Tanacetum siculi	153
11.2 Onopordo illyrici-Verbascetum macruri	153
11.3 Atriplici halimi-Halimionietum portulacoidis	155
11.4 Suaedo verae-Atriplicetum halimi	155
11.5 Capparido siculae-Salsoletum oppositifoliae	157
11.6 Salsoletum agrigentinae	157
11.7 Atriplici halimi-Artemisietum arborescentis	158
11.8 Tropaeolo majoris-Ricinetum communis	159
11.9 Ipomoeo purpureae-Ricinetum communis	160
11.10 Nicotiano glaucae-Ricinetum communis	160
Chapter 12. Vegetation of Trampled Soils	163
12.1 Euphorbio-Oxalidetum corniculatae	163
12.2 Crassulo tillaeae-Saginetum apetalae	164
12.3 Polycarpo tetraphylli-Spergularietum rubrae	165
12.4 Polycarpo tetraphylli-Laphangietum luteoalbi	167
12.5 Trisetario aureae-Crepidetum bursifoliae	167
12.6 Arabidopsio thalianae-Cardaminetum hirsutae	167
12.7 Coronopo didymi-Poetum maroccanae	169
Chapter 13. Annual Commensal, Ruderal Nitrophilous Vegetation	171
13.1 Loto hispidi-Anthemidetum incrassatae	172
13.2 Chenopodietum muralis	174
13.3 Amarantho viridis-Chenopodietum muralis	175
13.4 Lavateretum arboreae	176
13.5 Lavatero creticae-Malvetum nicaeensis	178
13.6 Chenopodio muralis-Parietarietum judaicae	179
13.7 Heliotropietum bocconeii	180
13.8 Salsoletum basalticae	181

13.9	Setario ambiguae-Cyperetum rotundi	183
13.10	Hordeo leporini-Sisymbrietum orientalis	184
13.11	Centauretum napifoliae	186
13.12	Hordeo leporini-Senecionetum squalidi	186
13.13	Hordeo leporini-Sisymbrietum erysimoidis	186
13.14	Galactito tomentosi-Isatidetum canescentis	189
13.15	Galactito tomentosi-Knautietum integrifoliae	189
13.16	Ammoido pusillae-Trifolietum gussoneani	192
13.17	Galio aparinae-Vicietum melanopsis	193
13.18	Echio pustulati-Lupinetum angustifolii	193
13.19	Anchusetum creticae	195
13.20	Echio pustulati-Anchusetum hybridae	198
13.21	Fumario capreolatae-Stellarietum neglectae	200
13.22	Acantho mollis-Smyrnetum olusatrum	202
13.23	Parietario judaicae-Achyranthetum siculae	205
13.24	Urtico membranaceo-piluliferae	206
Chapter 14.	Natural and Seminatural Annual Sciaphilous Vegetation	207
14.1	Galio muralis-Sedetum cepaeae	208
14.2	Cardamino hirsutae-Stachyetum arvensis	209
14.3	Sedo stellati-Campanuletum dichotomae	210
14.4	Geranio lucidi-Cardaminetum graecae	210
14.5	Cruciato pedemontanae-Buglossoidetum splittergeri	213
14.6	Erophilo verna-Sedetum hispanici	215
Chapter 15.	Mediterranean Herbaceous Xerophilous Pastures	217
15.1	Trifolio nigrescentis-Poetum bulbosae	217
15.2	Poo bulbosae-Paronichyetum argenteae	220
Chapter 16.	Acidophilous Xero-Therophytic Vegetation	221
16.1	Linario simplicis-Ophioglossetum lusitanici	222
16.2	Trifolio aetnensis-Tuberarietum guttatae	223
16.3	Airo caryophylleae-Logfietum heterantae	226
16.4	Petrosedo tenuifolii-Micropyretum tenelli	227
16.5	Rumici gallici-Sedetum coerulei	228
16.6	Tillaeetum basalticae	230
16.7	Sedo hispanici-Saxifragetum tridactylitis	230
16.8	Violo parvulae-Scleranthetum aetnensis	233
16.9	Sclerantho aetnensis-Saginetum hawaiiensis	234
16.10	Sclerantho aetnensis-Sedetum aetnensis	235

16.11 Sclerantho aetnensis-Taeniatheretum capitis-medusae	237
16.12 Ranunculo rotundifolii-Corynephorretum articulati	238
16.13 Sclerantho aetnensis-Molineriellum minutae	239
16.14 Moenchio erectae-Violetum hymettiae	240
Chapter 17. Xerophilous Grassland Vegetation	243
17.1 Eryngio dichotomi-Lygeetum sparti	244
17.2 Carlino globosae-Hyparrhenietum hirtae	244
17.3 Imperato cylindricae-Hyparrhenietum hirtae	247
17.4 Dichantio annulati-Hyparrhenietum hirtae	248
17.5 Lino collini-Stipetum siculae	250
17.6 Achtathero bromoidis-Stipetum pulcherrimae	250
17.7 Centrantho rubri-Euphorbietum ceratocarpae	252
17.8 Thapsio garganicae-Feruletum communis	254
17.9 Centauretum sonchifoliae	254
17.10 Dauco maximi-Oryzopsietum miliaceae	255
17.11 Boerhaavio coccineae-Oryzopsietum miliaceae	256
Chapter 18. Meso-Hygrophilous Grassland Vegetation	259
18.1 Carici otrubae-Juncetum inflexi	259
18.2 Cypero badii-Caricetum otrubae	261
18.3 Epilobio hirsuti-Agropyretum repentis	262
18.4 Equiseto telmatei-Juncetum effusi	263
Chapter 19. Orophilous Dwarf Shrub Vegetation	265
19.1 Astragaletum siculi	266
19.2 Senecioni aetnensis-Anthemidetum aetnensis	268
19.3 Festuco circummediterraneae-Bellardiochloetum aetnensis	270
19.4 Phleo ambigui-Secaletum stricti	272
19.5 Festuco circummediterraneae-Populetum tremulae	272
19.6 Cerastio tomentosii-Hieracietum pallidi	276
19.7 Rumici aetnensis-Potentilletum calabrae	276
19.8 Erysimo etnensis-Prangetum ferulaceae	277
19.9 Erysimo etnensis-Stipetum siculae	279
Chapter 20. Shrubland and Mantle Vegetation	281
20.1 Adenocarpo bionae-Genistetum aetnensis	282
20.2 Cytiso villosi-Genistetum aetnensis	285
20.3 Rubo aetnici-Genistetum aetnensis	285
20.4 Asparago aetnensis-Rosetum pouzinii	287
20.5 Rubo ulmifolii-Aristolochietum sempervirentis	288

20.6 <i>Lathyro grandiflori</i> - <i>Rubetum ulmifolii</i>	291
20.7 <i>Lonicero etruscae</i> - <i>Rosetum caninae</i>	291
20.8 <i>Bryonio acutae</i> - <i>Rubetum ulmifolii</i>	292
Chapter 21. Hygrophilous Woody Vegetation	295
21.1 <i>Tamaricetum gallico-africanae</i>	295
21.2 <i>Spartio juncei</i> - <i>Nerietum oleandri</i>	298
21.3 <i>Salicetum albo-purpureae</i>	298
21.4 <i>Platano orientalis</i> - <i>Salicetum gussonei</i>	301
Chapter 22. Orophilous Coniferous Woodland Vegetation	303
22.1 <i>Bellardiochloo aetnensis</i> - <i>Juniperetum hemisphaericae</i>	306
22.2 <i>Junipero hemisphaericae</i> - <i>Pinetum calabrica</i>	308
Chapter 23. Mesophilous Woodland Vegetation	311
23.1 <i>Epipactido meridionalis</i> - <i>Fagetum sylvaticae</i>	312
23.2 <i>Rubo aetnici</i> - <i>Fagetum sylvaticae</i>	315
23.3 <i>Vicio cassubicae</i> - <i>Quercetum cerridis</i>	317
23.4 <i>Agropyro panormitani</i> - <i>Quercetum congestae</i>	319
23.5 <i>Doronico orientalis</i> - <i>Castaneetum sativae</i>	322
23.6 <i>Agropyro panormitani</i> - <i>Populetum tremulae</i>	324
23.7 <i>Daphno laureolae</i> - <i>Pinetum calabrica</i>	327
23.8 <i>Cephalanthero longifoliae</i> - <i>Betuletum aetnensis</i>	328
23.9 <i>Hieracio criniti</i> - <i>Aceretum aetnensis</i>	330
Chapter 24. Thermophilous Woodland Vegetation	333
24.1 <i>Euphorbietum dendroidis</i>	334
24.2 <i>Pistacio tarebinthi</i> - <i>Celtidetum aetnensis</i>	336
24.3 <i>Oleo oleaster</i> - <i>Quercetum virgiliana</i>	336
24.4 <i>Celtido aetnensis</i> - <i>Quercetum virgiliana</i>	339
24.5 <i>Teucro siculi</i> - <i>Quercetum ilicis</i>	341
24.6 <i>Sorbo graecae</i> - <i>Quercetum ilicis</i>	345
24.7 <i>Arabido turritae</i> - <i>Quercetum congestae</i>	347
24.8 <i>Festuco heterophyllae</i> - <i>Quercetum congestae</i>	347
24.9 <i>Aceri aetnensis</i> - <i>Ostryetum carpinifoliae</i>	349
24.10 <i>Phyllyreo latifoliae</i> - <i>Ostryetum carpinifoliae</i>	351
Chapter 25. Syndinamic Considerations	355
25.1 Potential vegetation	356
25.2 Sigmata	361
Chapter 26. Etna habitats of Community Interest	369

Chapter 27. Check list of the Etna Flora	373
Chapter 28. Date and localities of the phytosociological relevès	403
Chapter 29. References	413
Acknowledgements	451
